

# Good Neighbors Club News

May & June, 2021

## Hello GNC Friends!

Announcement– Our Main Bank and all Two Rivers bank branches are now open! Hooray! Spring has arrived and with it a renewal of the earth, as well as our spirits, after the last year of staying in and staying home. It’s so wonderful to breath warm air and see nature wake up with the beautiful trees, scrubs and flowers.

I have added a new Featured Staff Member to our newsletter. This month we are featuring Linda Springsteen from our Mediapolis Branch. Many of you will certainly recognize her if you go to that branch. She’s the one with the big smile! We would like to applaud Linda for her years of service. She does a fantastic job managing this branch. Stop by Mediapolis and see her and our other great staff members.

I’m sure that many of have received your covid shot and are feeling safer and able to go out and about now. This is terrific news! However, there are others who feel that it isn’t quite safe enough yet. “We are all ready to get back to normal and travelling is normal for many of us. Progress is being made with vaccinations, however, we are not out of the woods yet. Therefore, we are still in a travel pause with our Good Neighbors Club program. When it is safe for all, we hope to return to our fun travel opportunities”, Shane Zimmerman, President Two Rivers Bank & Trust. So at this time, we do not have any trips or events scheduled for 2021.

While I was working from home this past year, I could see what retirement might look like. I did enjoy it, even though I missed seeing people. Two Rivers has been my home away from home for 44 years and yes, I was just 16 when I started here! Ha! Ha! I have decided that it’s time for me to retire from “the greatest job at the bank.” It has been an absolute joy and pleasure to have been your club director for the last 21 years. That is all due to you my wonderful customers and the great employees I have worked with over the years. I am planning to work until the end of May to wrap up a few things and say goodbye to my friends. From June through September, I will be helping part-time with the 2021 Paint-A-Thon. After that, you will find me fishing, golfing, reading, travelling, playing with the grandkids and living the carefree life of a retiree! I also want to announce that my friend and co-worker, Terri Miller who has worked through Hope Haven and with me at the bank for 23+ years is also going to retire. Terri has done many jobs for the Good Neighbors and other departments at the bank. We want to thank her for her hard work and dedication. (See picture on back)

Thank you so much for your friendship and loyalty over the years. I hope that you continue to support the Good Neighbors Club in the future. Feel free to come and see me before I go and maybe we can get in a few more hugs!! I wish you all the best, enjoy life and keep travelling!

**Thought for the month**– Those who have shown us love, brought us joy, and made us laugh have given us the lasting gifts of a beautiful life– and blessed our memories forever.
